Notes and Action Items August 20, 2019 Meeting

Summit Program Flyers and Printed Programs

- The one -page flyer will be distributed electronically and the 6-page program will be printed and provided to participants at the event.
- We reviewed the four draft documents and Jana will make recommended edits.
- CE/CEUs are in progress
- Planning committee member's logos will be added to the long program.

Promotion

- We discussed the merits of combining both days into one EventBrite or creating two separate invitations. We decided on two separate invitations.
- We will open up 180 seats immediately and hold back 120.
- Guest speakers and resource table volunteers will have to register
- Planning committee members can attend both days and are asked to volunteer
- We will send a priority invitation to register to the Mayor's Challenge and provide them with 48 hours to register before we open registration to LASPN listserve and others.

Self Care

- Coloring books, foam and pencils have been ordered
- Sandri will follow-u on a lead for massages. We discussed offering these from 7am to 8am to encourage people to arrive early.
- A self-care tip sheet has been created
- Therapy Dogs- Sandri is following up. Tracie confirmed with the Endowment that the dogs are able to come as long as they were their service vest. A room is available.
- We need to discuss the self care raffle prize at the next meeting!

Resource Tables

We discussed inviting the following organizations to host a resource table. For the Education Day, organizations will have an opportunity to submit a short 60 to 90 second video that we can feature on the website and in the program.
